DEAR NEW STUDENT,

It will not be long now before you begin your career at Sweet Briar. Needless to say, we hope that from the very first moment you will find Sweet Briar to be a college creative and expressive of your desires in a liberal arts institution. However, since the above may be too ideal a situation, we are looking forward to incorporating your suggestions and contributions for making 1966-1967 the best year possible.

At the present, two major issues are in the works at Sweet Briar — and fortunately for us and you — you will be here in time to participate in and enjoy them. The Sweet Briar Student Government Constitution is being re-written in order to delegate more responsibility to the student sphere. This will not only be a privilege but also an opportunity to prove ourselves through our capabilities and integrity. The second major and exciting issue is that of TEMPO. TEMPO, Contemporary Art and Thought in America, is a student sponsored symposium which is to be held March 2-4 of next year. This will be the first time that Sweet Briar students have ever sponsored a symposium, and it is imperative that every single person cooperate in making it a success. We are hoping, of course, that little prodding will be needed as we feel that each of you will probably arrive with fresh and interesting ideas which you will want to contribute.

Aside from these issues which are more or less “hot off the press,” there are certain traditions at Sweet Briar which we hope you will easily incorporate into your way of life. The most important of the traditions is the Honor System. At Sweet Briar we live under an Honor System in which there is both a communal and an individual responsibility to adhere to the highest principle of integrity and to behave honorably at all times. It is almost impossible to communicate in a letter the importance of this concept and the gravity of any infraction of it, therefore you will receive further explanations and interpretations of this code upon your arrival in the autumn.

In this brief preview of next year we hope that you see we are really looking forward to your fresh outlook and ideas becoming a part of the mainstream at Sweet Briar. We also feel that we are offering an opportunity to grow in academic excellence, creativity and strength of principle.

Sincerely,
MARY R. BELL

The Student Petition (October 17, 1906)

The students of Sweet Briar College, believing that there is dignity and honor in student government, desire individual and community responsibility for the conduct of students in matters not strictly academic.

We, therefore, petition the President and Faculty for legislative and executive control in certain matters. We ask:

- I. Right to control quiet and order in all places about the buildings and campus that are not under the immediate control of a member of the Faculty.
- II. Permission, with the advice and approval of the Faculty, to extend our power as occasion arises and we prove worthy to be vested with greater power and authority.
- III. Permission to make such additions to the above as we may feel are necessary, with the consent and approval of the President and Faculty.

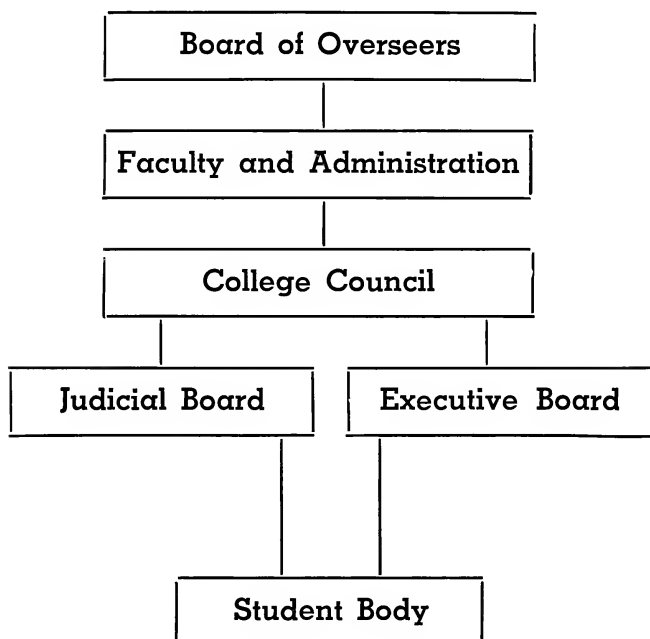

The Reply of the Faculty

(October 20, 1906)

The Faculty of Sweet Briar College endorses most cordially the desire of the student body to assume responsibility for the conduct of individual students in non-academic matters. Therefore, the Faculty accords permission to frame a constitution embodying laws regulating the points specified in the petition—said constitution to be submitted to the Faculty for endorsement.

SPHERES OF AUTHORITY

The concept of "spheres of authority" has been made the foundation of the Constitution of the Student Government Association because it was felt that control of community life falls naturally into three areas: that primarily of Student concern, that of joint Faculty-Student concern, and that primarily of Faculty concern. The drawing-up of the Constitution was a cooperative venture between the Students and the Faculty, and its adoption rested upon ratification by both groups. The Grant of Powers and the Constitution, By-Laws and Regulations reflect not only the tripartite concept but also the philosophy that

responsibility breeds a sense of responsibility. The goal of this endeavor is heightened cooperation between Students and Faculty in the interest of the College and its component parts.

I. In the *Student Sphere*, the organs of government are:

The Legislative Body, made up of the
Association as a whole

The Executive Board

The Standing Committees

The Judicial Board

II. The authority entrusted to the *joint Faculty-Student Sphere* is exercised by the College Council, possessing both legislative and judicial jurisdiction. In its legislative capacity the College Council meets monthly whereas in its judicial capacity it meets only when

necessary. The faculty members of College Council shall be the President of the College, the Dean, the Associate Dean, the Dean of Students, the College Physician, and five members elected annually by the Faculty.

III. In the *Faculty Sphere*, the Faculty shares with the Board of Overseers and with the administrative officers of the College the final responsibility for the academic and social welfare of the College. It provides the instruction given; through its Executive Committee and other standing committees, determines the content of the curriculum; and carries on the academic business of the College.

Grant of Powers

A. The Faculty of Sweet Briar College, in response to the request of the Student Government Association and in accordance with the authority vested in it by the Board of Overseers, entrusts to the *Students* the power to revise and interpret in the following areas of regulation:

1. House Regulations
2. Extracurricular Activities
3. Dress Regulations

The Faculty entrusts to the *College Council* the power to revise and interpret in the following areas of regulations listed below. All changes must be reported to the Student Government Association and to the faculty.

1. Campus Regulations
2. Non-Overnight Absences
3. Social Regulations
4. Smoking Regulations

The *Faculty* retains the power to revise and interpret in the following areas of regulation:

1. Overnight Absences
2. Motoring Regulations
3. Air Travel
4. Drinking Regulations
5. Rule governing Hazing
6. Rule governing Secret Organizations
7. Academic Rulings

The Faculty will whenever possible discuss such changes with the College Council in advance of decision.

B. The Faculty reserves the right to withdraw all or any part of the power granted if it finds that the power is being abused. Except in cases of emergency, thirty days' notice shall be given before such action shall become effective.

Acceptance of Powers

We, the students of Sweet Briar College, understanding the responsibilities entrusted to us through this Grant of Powers, hereby accept the obligations and privileges which this provides.

Preamble

Whereas we, the students of Sweet Briar College, individually and collectively desire to assume responsibility for the conduct of students in our college life, and

Whereas, we believe that such responsibility not only promotes loyalty to the best interest of the College but prepares the students to take their places in democratic society, and

Whereas, we believe that there is dignity and honor in student government,

We do hereby, in accordance with the grant of powers from the faculty and administration to the students, adopt the following Constitution and By-Laws.

When placed upon probation, a student must pledge before the Judicial Board that henceforth she will be especially scrupulous in all matters of honor and in keeping all regulations, with the understanding that any future infringement will be more serious for her than for other students. The acceptance of probation shall be entered in the Chairman's book and the Secretary's book. A student shall accept probation in the form, "I (name given) because (cause given) accept probation and pledge myself to be especially scrupulous in all matters of honor and in keeping all regulations. I understand that any infringement will be more serious for me than for other students."

c. Suspension of Pledge

Suspension of pledge involves the loss of all privileges granted to Sweet Briar students through the Honor System

and Student Government Regulations. The pledge may be suspended for varying lengths of time, but in any case its purpose is to bring a girl who has broken her pledge to the realization of the responsibility which she must assume when she signs the pledge. If a student does not live up to her responsibility as defined in the pledge, she is not justly entitled to the privileges granted to Sweet Briar students through the Honor System and Student Government Regulations. At the end of her suspension of pledge, a student is given the opportunity to re-sign her pledge.

- d. Any other which the Judicial Board deems appropriate to the particular case.
2. Suspension or expulsion shall be regulated according to the provisions in the Constitution, Article VIII, 3B, 1
3. A penalized student may ask for reconsideration of her penalty by the Judicial Board or may appeal to College Council for re-examination of her case.

Section V—College Council

- A. Meetings of College Council shall be called by the Chairman. She must call a meeting upon the request of the Judicial Chairman or of a majority of the members of the Council.
- B. A quorum shall consist of over one-half of the student members and over one-half of the non-student members.
- C. Voting:
 1. All procedural matters shall be decided by a majority vote.
 2. Substantive action by the Council requires an affirmative vote of two-third of the votes cast.
 3. Voting shall be by secret ballot upon request of any member. In judicial cases involving suspension or expulsion a secret ballot is required.
 4. If the Council, after considering every possible solution open to it, is unable to reach an affirmative vote of two-thirds votes cast in a judicial case, it shall refer the matter to the Faculty for decision on the procedure to be used in final settlement of the case.

Section VI—Eligibility For Office

- A. A student who is under a major penalty imposed by the regular authorities of the Association may not hold office in the Association. For eligibility requirements regarding academic work and health see regulations concerning extracurricular activities, Handbook, page 71.
- B. The standards for retention of office are the same as those for eligibility.
- C. The President and Vice-President of the Association, the Judiciary Chairman of the Association and the Chairman of the Social Committee shall be of the Senior Class. The Chairman of the Student Development Committee, the Campus Chest Committee, the President of the YWCA, and the President of the Athletic Association shall be either a Junior or Senior. The Secretary and the Treasurer of the Student Government Association shall be a Junior and the Chairman of the National Student Association shall be of the Junior or the Senior Class, and there shall be two senior, three junior and two sophomore house presidents.
- D. A member of the Student Government Association may serve only once on the Executive Board and once on the Judicial Board prior to her Senior year. A student who serves on the Executive Board or on the Judicial Board her Freshman year shall not be eligible for membership in the other body until her Junior year. A Sophomore member of the Executive Board or Judicial Board may not serve on the other body until her Senior year when she may serve on either board.

Section VII—Elections

- A. Officers of the Association and the elected chairmen of the Standing Committees shall be nominated by the Nominating Committee. Chairmen of the Campus Chest Committee, Student Development Fund Committee, and the presidents of the Athletic Association and of the Y. W. C. A. shall be nominated by their respective committees, subject to the approval of the Executive Board. These nominations for the ensuing year shall be made early in the second semester. Further nominations may be made by a petition with

a minimum of 25 signatures to be submitted to the Vice-President of the Student Government Association.

- B. In the second semester, after eligibility has been determined, the nominations for the three groups listed below shall be posted for one week prior to the elections which shall be conducted by the Student Government Association.

GROUP ONE

President of Student Government, Judiciary Chairman of Student Government

GROUP TWO

Executive officers of Student Government (Vice-President, Secretary, and Treasurer of Student Government, House Presidents), Judicial Board members, Chairman of the Social Committee, President of the Y. W. C. A., Chairman of Orientation, Editor of THE SWEET BRIAR NEWS; Chairman of the National Student Association, President of the Athletic Association, and Class Presidents.

GROUP THREE

Chairman of the Student Development Fund; the Chairman of Campus Chest; HANDBOOK, BRAMBLER, and BRIAR PATCH editors. Other officers will be elected after Group Three by their respective organizations.

- C. The Student Government Association shall use the Transfer System
1. The ballot which follows is a sample to clarify the transfer system of voting. It is for the election of three Junior House Presidents. As three girls must win, each voter has three first-place choices, three second-place choices three third- and fourth-place choices etc. In the event that the voter has voted on less than the allowed number, only one first-place choice, two third-place choices etc; she may vote accordingly but she may *not* vote for more than three for each place.
 2. This system avoids having a person elected solely by second-place votes. The people with the highest number of first-place votes are the only ones considered for the elected post unless there is no clear majority. In the latter case, those persons in the vie for first place have the second, third, etc., votes counted until a majority is established. No one else's second place votes are counted.

3. Sample ballot:

Nancy Shaw	1
Patty Burks	2
Jane Jenson	4
Kitty Kelly	3
Piper Pickerall	1
Allison Allen	3
Penny Cash	2
Beth Barth	2

D. Newly elected officers assume their duties after Spring Vacation.

E. If a vacancy occurs in any office of the Association, the President shall ask the person who ranked next on the transfer ballot in the last election to fill the office. Temporary vacancies shall be filled by appointment of the Executive Board.

Section VIII—Amendments to By-Laws

By-laws may be amended by a two-thirds majority of a student vote after consultation on the part of the President of the Student Government Association with the Dean of Students, and after approval by College Council in cases where such action is recommended by the Dean's staff.

Statement of Policy of Sweet Briar College

Any student accepting a place at Sweet Briar College should know that the College will not tolerate extremes of social behavior which are injurious to the individual, the community or the College. The misuse of alcohol or drugs and sexual behavior which affronts contemporary moral standards will not be condoned.

The President's judgment suffices in dealing with incidents in these areas, and the penalty of suspension or expulsion may be used at her discretion.

The President and the Deans will be willing to clarify the College's interpretation of the above statement as well as its definition of acceptable behavior in particular circumstances.

Any student unwilling to acknowledge such authority on the part of the College is advised to withdraw.

STUDENT LIVING AT SWEET BRIAR COLLEGE

Sweet Briar citizenship requires that the student govern her behavior according to the requisites for cooperative living. Realizing that there are certain standards by which our society, both on and off the campus, is governed, the student is under an obligation to uphold them.

Citizenship at Sweet Briar is based primarily on the two following principles:

1. To cover the general standards of society which each student is expected to understand and respect, we rely on a sense of honor.
2. To support the regulations limiting and organizing our life while at Sweet Briar, we expect a student to see that the college community is run smoothly and efficiently, keeping in mind the safety of the students, the convenience of the community as a whole, and the maintenance of the high level of integrity. These standards involve individual responsibility for one's obligations as a citizen of Sweet Briar.

SWEET BRIAR STUDENTS ARE EXPECTED AT ALL TIMES TO EXERCISE GOOD TASTE AND GOOD JUDGMENT IN THEIR CONDUCT. ANY FAILURE TO DO SO WILL BE TREATED BY THE STUDENT GOVERNMENT ASSOCIATION AS AN OFFENSE.

The Honor System is based upon:

1. Integrity of one's word
2. Respect for the property of others
3. Honesty in academic work (including preparation of classroom work, papers, laboratory work and notebooks, tests, and examinations).

In order to avoid external controls as much as possible we depend upon certain means of self-enforced discipline.

1. The student must record* and report* herself for her infractions of the Sweet Briar regulations. If there is cause to think that specific

*The following infractions are recording offenses. All other infractions must be reported.

1. Signing in under ten minutes late (at Sweet Briar and not on a late permission)
2. Forgetting to sign out or to sign in on the housebook unless you are absent for more than two hours without notifying the college.
3. Leaving Charlottesville or Lexington after the specified time.

infractions are occurring, judicial representatives, in accordance with judicial procedures, have the power to ascertain whether or not this is true.

2. The student is first of all responsible for her own behavior. If she witnesses a breach of the regulations or of good conduct, she is *honor bound, by signing the Pledge, to ask the offender to report herself*. If the offender fails to report herself, it is within another student's power to report to the proper Student Government officer. Signing the Pledge does not commit a student to report an offender, but it *does commit her to ask the offender to report herself*.
3. Certain rules concerning smoking and drinking were made for the safety of students and with the welfare and atmosphere of the campus in mind. A breach of these rules will be treated with the utmost severity (e.g., suspension or expulsion).

THE HONOR PLEDGE

The Sweet Briar Honor Pledge is to be signed without reservation. When a student signs the Pledge, she automatically gives up the right of private judgment as to which of the rules she will uphold. By signing the Pledge, she promises to strive to uphold *each one* of the Sweet Briar Regulations, realizing that each is important to her safety, to the community as a whole, or to the ideals of the college.

I PLEDGE THAT I WILL GUARANTEE THE VALIDITY OF MY WORD, MAINTAIN ABSOLUTE HONESTY IN MY WORK, AND RESPECT THE PROPERTY OF OTHERS. REALIZING THAT THESE STANDARDS ARE AN INTEGRAL PART OF LIFE AT SWEET BRIAR, I HEREBY ASSUME MY OBLIGATION TO UPHOLD THEM AND TO ABIDE BY THE REGULATIONS OF THE COLLEGE. I WILL REPORT MYSELF AND ASK OTHERS TO REPORT THEMSELVES FOR ANY INFRACTION OF THIS PLEDGE.

A student is expected to sign this pledge upon passing the handbook test each year that she is at Sweet Briar. If she has any questions or objections to regulations she is encouraged to consult with an officer of the Student Government Association *before* signing her pledge. (Handbook classes are held for the purpose of clearing up just such questions in the minds of students.)

The student will find the most freedom within the campus society if she is in accord with its standards of procedure and behavior. Whether or not these regulations are consonant with those she has experienced before entering college, by signing the pledge she makes herself responsible for regulating her behavior within the limits set until they have been changed through orderly processes. The student must realize that many regulations are for her own safety. Others, not necessary for individual living, are vital when many people are living together. Successful student government is a challenge to accept the responsibilities of citizenship, and to foster active concern for the spirit of the college.

Upperclassmen, who have experienced the benefits of student government, have a special responsibility for seeing that its standards are met both by their example and by their advice to others.

THE HONOR REGULATIONS

I. ACADEMIC REGULATIONS

THE VALIDITY OF THE SWEET BRIAR DEGREE DEPENDS UPON THE INTEGRITY OF THE WORK WHICH IT REPRESENTS. Therefore principles of academic honesty are an essential part of the Sweet Briar Honor System. In accordance with these principles the following regulations have been established:

Examinations and tests

- A. All tests and examinations are given under the Honor System. The student's signature signifies that the information given is her own on a test or paper. It is regarded as a guarantee of honest work.
- B. It is suggested that only those materials needed for the examination be brought into the examination room. For their own protection students are advised not to bring notebooks into classrooms where tests and examinations are to be held.

Papers

Students shall give due and appropriate acknowledgment of the work of others when that work is incorporated into the writing of their own papers. Any form of plagiarism violates the integrity of the student's work. In cases of doubt, students should ask instructors; and instructors are requested to be definite and explicit in explaining the proper procedure for the work involved.

- A. Quotations must be clearly marked and sources of information or of ideas or opinions not your own must be indicated clearly in all written work. This applies to paraphrased ideas as well as direct quotations.
- B. Unless otherwise directed, every student working in a laboratory is expected to make all necessary measurements, drawings, etc., from her own independent observations of the material provided.

Instructor's Procedure Upon Infraction

- A. If an instructor observes a possible breach of academic honor he should promptly confer with the student involved.
 - 1. Unless convinced that no such breach has occurred, the instructor should urge the student to report the affair to the Judiciary Chairman of the Student Government Association.
 - 2. If the student neglects to do so promptly, the instructor should so report the case himself.
- B. When consulted by a student concerning suspicious work which she has observed, the instructor should advise the student to discuss the case with the Judiciary Chairman.
- C. If an instructor is in doubt about the best procedure in a given case, he should consult the Dean or the President of the college.

Expulsion, suspension, and, in the case of academic matters, suspension of pledge shall be recorded on the student's permanent record. In either of the latter two cases the record of the penalty shall be expunged upon the granting of a Sweet Briar degree.

II. LIBRARY REGULATIONS

- A. All library material must be signed for at the desk before being taken from the building.
- B. Reserve books must be replaced on the proper shelves and may not be removed from the library until the time designated.
- C. Disregard of library regulations concerning reserve books and periodicals is a Student Government offense. (You are especially reminded that the removal of any library book under any circum-

stances not included under library regulations shall be considered as a serious breach of honor.)

NOTE:

- D. All library regulations apply also to the departmental libraries in the Fine Arts Center, Benedict, and the Science Building.
- E. For further information about library conduct see section on the Mary Helen Cochran Library.

III. DRINKING REGULATIONS

- A. There shall be NO DRINKING at Sweet Briar College either by students or by their guests.
- B. Students may NOT have alcoholic beverages IN THEIR POSSESSION ON CAMPUS. This includes keeping such beverages in registered student cars.

NOTE: *Although the Association does not undertake to give legal advice, it wishes to call the attention of everyone to the Virginia State Law concerning alcoholic beverages. According to this law, it is a misdemeanor (1) for any holder of a license to sell any alcoholic beverages to any person who is less than twenty-one years of age, (2) for any person under twenty-one years to falsely represent his age to be twenty-one or older in order to purchase alcoholic beverages and (3) for any person to purchase alcoholic beverages for another person who he has reason to know is under twenty-one years of age. Beer with an alcoholic content of 3.2 may be sold to those 18 years of age or older. Students while residents in Virginia are expected to conform to this and all other laws of the state.*

IV. FIRE PREVENTION

- A. No fire may be made in any room.
- B. No candles may be used in the dormitory rooms. Permission to use candles in the parlors or common rooms must be obtained from the Assistant to the President of the College, and any question of fire prevention should be referred to him.
- C. Nobody may sit on fire escapes; nothing may be placed on the fire escapes or ladders.
- D. A false ringing of the fire alarm is an extremely serious offense and will be treated accordingly.

E. Smoking is permitted only in the following places:

1. The Dells; the area between Dew and the Gymnasium is not a Dell.
2. The roads leading off the immediate campus except the road to the gate. These include the main road to the lake and Elijah Road beyond the fork.

- f. That the car be subject to a parking fee if at the college more than three days.

3. Car rental

In order to drive a rented automobile,

- a. Permission for the trip involved must be cleared with the Dean of Students in advance of arrangements with the rental service.
- b. Both driver and all passengers must have on file in the Office of the Dean of Students special parental permission for the trip involved.

4. *It is understood that*

- a. In order to operate an automobile, the student must be a licensed driver.
- b. Due precaution will be given to the number of passengers in the automobile and to the observance of all traffic regulations.

5. Students may not ask to borrow an automobile owned by a faculty or staff member. They may drive such a car only when asked to do so for the convenience of the owner.

I. Violations of the car regulations are handled by the Judicial Board.

VIII MARRIED STUDENTS

A student already enrolled who wishes to continue her college course after marriage must submit to the Dean, in advance of the marriage, her written request accompanied by a letter from her parents. Each request is considered by the Dean in conference with the President, and a decision is made with full regard for the particular circumstances. It is expected that a married student will reside with her husband or her parents. Any other arrangement must have the prior approval of the Dean. The College reserves the right to require the withdrawal of a student who has married secretly.

Academic Rulings

All students are expected to be familiar with the academic regulations and procedures in this section, which is based on the Handbook of Faculty Rulings. Other faculty rulings will be found in the Handbook of Faculty Rulings and in the catalog of the college. A student who does not understand any ruling should consult the Dean. Ignorance of the regulations will not be an acceptable excuse for failure to comply with them.

I. Registration

1. Registration of students in courses takes place in the spring semester at a time designated by the Recorder. Registration of transfer students and of students returning after a term of absence takes place during the Opening Week of the academic year.

2. Freshmen must submit their choice of courses to the office of the Dean by July 15 and will be registered by that office in advance of Opening Week, their program being subject to changes which may be made as a result of placement tests.

3. The registration of all students must be completed before the first scheduled class of the academic year.

4. All students are required to attend the Opening Convocation. Rooms will not be held for students beyond the hour set for Convocation unless a satisfactory excuse for late arrival has been presented to the Dean by letter or telegram before that time.

5. a. Changes of program for either the first or second semester may be arranged after the scheduled registration period and until May 1 by a revised schedule card signed by the advisor or the major professor.

b. After May 1 and until September 1, the Dean may permit changes of schedule for the first semester. A fee of \$10 will be charged. No changes of schedule may be made between September 1 and the end of the first day of classes in the first semester. Necessary changes may be made with the approval of the Dean and on payment of a fee of \$10 between the second day of classes and the end of the second week of the semester.

c. Changes for the second semester may be made between May 1 and December 1. For changes made after November 15 a fee of \$10 will be charged.

d. The Dean is empowered to waive the fee in any case if in her judgment this is justified. The fee will be waived in the case of new students for their first year in the college and, in the case of students returning after a term of absence, for any changes made during the first semester.

e. In case of the failure of the student to secure a passing grade in a first semester course, a necessary change in program may be made in the first week of the second semester. No fee will be charged in such a case.

f. A change of schedule is not valid until the completed form is presented to the Recorder by the student.

6. A student may not enter a course later than the end of the second week of a semester. A student who drops a course after the fourth week of the semester, or, in the case of a first semester freshman, after the eighth week, automatically incurs an F in that course. Exceptions may be made by the Dean at her discretion or on the recommendation of the College Physician.

7. a. A student may register for a course with stated prerequisites only if she has met the requirements indicated. Prerequisites may be waived only with the approval of the head of the department and the instructor concerned, and of the Dean.

b. Permission to audit a course must be obtained from the instructor and approved by the Dean. A form for the purpose is available in the office of the Dean.

8. A student must obtain special permission from her faculty advisor and the Dean, and the approval of the College Physician, in order to carry more than 17 hours of academic work or more than six different courses. Courses being audited are counted in the total.

9. A student may not carry less than 12 credit hours of academic work unless she is taking non-credit courses in music or art, in which case she must carry at least nine credit hours. The Dean is empowered to grant exceptions to this ruling. If the reason is one of health, the recommendation of the College Physician is required.

II. Graduation Requirements and Class Standing

1. In order to be eligible for a Sweet Briar degree, a student must have had a minimum residence of two academic years, one of which must be the final year, and must have earned not less than 60 semester hours of credit at Sweet Briar.

2. To be eligible for graduation a student must complete a minimum of 120 semester hours of credit in addition to the physical education requirement.

3. Every student must have for graduation a minimum of 120 quality points and a credit ratio of at least 1.0 for her entire course. Quality points and the credit ratio are computed as follows: For courses taken prior to the 1965-6 session each semester hour graded A counts 3 quality points; B, 2; C+, 1.5; C, 1; D, 0; F, -1. Thereafter quality points are to be counted as follows: A, 3; B, 2; C, 1; D, 0; F, -1. For every hour of plus, add .3; for every hour of minus, subtract .3. The credit ratio is the ratio of the total number of quality points to the total number of hours taken. These hours include courses which are reported incomplete, conditioned and failed. Hours of physical education are not included in computing the credit ratio.

4. A student transferring from another college or offering summer school work for credit is required to make for graduation a credit ratio of 1 upon the work pursued at Sweet Briar. Transfer and summer school credits are not included in the computation of the credit ratio.

5. For senior standing a student must have passed 88 semester hours of work, with 88 quality points and a cumulative credit ratio of 1, and must have met the requirements in physical education and in a foreign language.

6. For junior standing the requirements are: in the first semester, 55 semester hours and 55 quality points; in the second semester, 72 semester hours and 72 quality points.

7. For sophomore standing the requirements are: in the first semester, 28 semester hours and 28 quality points; in the second semester, 42 semester hours and 42 quality points.

8. A student who meets the academic requirements for class standing does not automatically receive the social or non-academic privileges thereof.

9. A student who is notably weak in her work will be put on probation, and if her work does not improve may be requested to withdraw from college. Every student on probation will be notified by the Dean, and her name reported to the faculty.

10. A freshman whose work is wholly unsatisfactory in the first semester or who has not achieved satisfactory work by the end of the year, will be ineligible to return to college.

11. Any student who has not achieved satisfactory work after two consecutive semesters on probation, or after any three semesters of

ACADEMIC RULINGS

probation, will be ineligible to return to college. The Committee on Student Eligibility is empowered to modify the operation of this ruling in exceptional cases.

12. a. Every student is required to have for graduation a major rating of at least 1. The major rating is defined as the credit ratio for all courses taken in the major subject, exclusive of prerequisites.

b. The major rating in an interdepartmental major is defined as a credit ratio of at least 1 on the thirty-six hours presented by the individual student to fulfill the major requirement.

c. A student reading for honors must also have a major rating of at least 1 in order to graduate.

13. Each student must pass a comprehensive examination as part of her major requirement. This examination is to be taken in the final semester of work for the degree. Comprehensive examinations are given once a year only at the scheduled time and only at Sweet Briar. There are three possible ratings: unsatisfactory, satisfactory, and with distinction, and these are not computed in the major rating. All grades for comprehensive examinations shall be sent to the Recorder's office, which shall notify the student whether she has passed or failed the examination.

14. If a student fails the comprehensive examination in her major, she is eligible for only one re-examination, which may not be taken before the following September. She must pass the comprehensive examination within the academic year after first taking it, in order to obtain her degree.

15. A student who after eight semesters of work fails to meet the credit ratio or the major rating required for graduation, or who in the final year of this time has failed a course, may be permitted to return to college for one semester in the year following. She will be expected to carry a normal schedule of work of not less than 12 semester hours and must have a credit ratio of 1 for her entire course and a major rating of 1 in order to obtain her degree.

16. The student is herself responsible for fulfilling the requirements for graduation.

III. Advanced Standing and Summer Work

1. Application for advanced credit at Sweet Briar, on the basis of work pursued elsewhere, must be made to the Dean, as chairman of the Committee on Advanced Standing. The Committee is empowered

to approve transfer credit in accordance with policies approved by the Faculty. Credit is tentative until the student has completed one year's work at Sweet Briar with a cumulative credit ratio of 1 or better.

2. No transfer credit will be granted for work in which a grade below C has been obtained, whether taken in summer school or offered for advanced standing from another institution (including the Junior Year in France).

3. Students wishing credit for summer school work must receive in advance, on a card available in the office of the Dean, written approval of the head of the Sweet Briar department concerned and of the Dean. Not more than 18 semester hours of summer school work may be counted toward the degree.

4. Entering freshmen wishing credit for summer school work should notify the Dean not later than July 1, giving the courses which they wish to submit for credit. Transfer credit will be granted only for work taken after graduation from secondary school. Credit will be tentative until the student has completed one year at Sweet Briar with a credit ratio of 1 or better.

5. In connection with a course already completed and in which the grade received was not less than C, a student may earn an additional hour of credit by summer reading. Normally the course must have been completed in the preceding academic year. No student may receive credit for summer reading in more than two courses in one summer. Regulations and permission cards for summer reading are available in the office of the Dean.

6. The summer reading will be tested by written examination given not more than two weeks after the opening of classes in the first semester.

IV. Examinations and Grades

1. All tests and examinations are given under the Honor System. The student's signature to any written work is regarded as a guarantee of honest work.

2. (a) General examinations are held twice a year. One or two days before each examination period are reserved for independent study and review. No assignments may be made for those days or for the free days within the examination period, with the following exceptions: (1) a student may make up work with faculty assistance at the student's request; (2) the ruling does not apply to examinations under the Honors Plan of Study.

(b) Senior comprehensive examinations, are held in regular class rooms from 1:30 to 4:30 p.m. on two successive afternoons in May, the dates to be determined each year. Departments which give examinations of more than four hours and prefer to have them in one day, may extend the examination into the evening.

3. Any change in the scheduled hour of an examination must be made through the office of the Recorder.

4. Examinations are normally of two hours' duration and must be terminated promptly at the end of the designated time.

5. An examination is given in each course at the end of each semester unless the department concerned decides upon some other means of testing.

6. (a) In courses which are indicated in the catalog by semester numbers which are connected with a hyphen, grades are recorded in the Recorder's Office both at mid-year and at the close of the year, but the latter represents the permanent grade for the course, unless a grade of F was given at mid-year. In that case the department concerned will judge whether the work of the first semester must be repeated and whether, if a passing grade is received during the second semester, that grade may be given to cover the entire year. If a student receives a grade of F at the end of the year, after having passed the work of the first semester, in reporting the grade the instructor should indicate whether both semesters or only the second semester must be repeated before a final grade may be given in the course.

(b) In courses which have the semester numbers separated by a comma, the grade shall be recorded by semesters.

(c) In courses which have the semester numbers separated by a colon, the grade shall be recorded by semesters but credit is granted for the first semester only if the second is completed.

7. In courses extending throughout the year which are numbered above 100, the final examination may, at the option of the instructor, be a three-hour examination, in order to include questions bearing upon the work of the first semester in its relation to the work of the second semester.

8. If a student is unable to take an examination or an hour test at the scheduled time because of illness, she shall report immediately to the Infirmary. The College Physician, in consultation with the instructor concerned, shall determine the time and place for a deferred examination or test. If a student is absent from a course examination for other reasons she must forfeit the credit for the

course unless she presents for such absence an explanation satisfactory to the instructor and the Dean. An absence from an hour test without an excuse satisfactory to the instructor and the Dean will result in an F for the test.

9. Grades are to be assigned with the following meaning: *A* indicates excellent work; *B*, very good; *C*, fair; *D*, poor but passing; *F*, a failure. Grades above *D* are called credit grades.

"Condition" indicates that in the judgment of the instructor, a student should be given an opportunity to present further evidence of her proficiency before receiving a final grade for a course because (a) after doing satisfactory work she has failed a final long paper or examination; or (b) her work, while not clearly indicating failure, is not of passing quality, yet a repetition of the course is not educationally desirable.

"Incomplete" indicates that a substantial piece of required work in a course has not been completed because of circumstances which merit an extension of time.

10. (a) "Failure" in a required course shall be removed by repeating the course in class within a year from the time incurred. Whenever a student fails to meet this requirement her case will be referred by the Dean to the Executive Committee.

(b) "Condition" incurred at the end of the first semester shall be removed before the Spring Vacation—unless a later date is designated by the instructor with the approval of the Dean and reported to the Recorder.

"Condition" incurred at the end of the second semester shall be removed within two weeks of the beginning of the following semester—unless a later date is designated by the instructor with the approval of the Dean and reported to the Recorder.

(c) "Incomplete" shall be removed within two weeks of the beginning of the following semester—unless a later date is designated by the instructor with the approval of the Dean and reported to the Recorder.

11. (a) If a student fails an elective course, she may either repeat the course or substitute for it some other course. She is to be guided in her decision by the recommendation of the instructor, the counsel of her adviser and the approval of the Dean.

(b) A failure in a required course must be removed by repeating the course in class. This may be done at Sweet Briar or at

another institution, subject to the approval of the Dean and the head of the department concerned.

If a student has twice failed a required course, the question as to whether she shall be permitted to remain in college shall be presented to the Committee on Student Eligibility.

(c) A failure in a course in physical education must be made up by repeating the course at Sweet Briar, unless the Department of Health and Physical Education prescribes some other method.

12. "Condition" may be removed (a) by passing a re-examination, or (b) by completing such work as will reveal the student's knowledge of the course, or (c) by repeating the course, if the student elects to do so. If the condition is to be removed by method (a) or (b) the instructor, in consultation with the Dean, shall determine:

(1) the method by which the conditioned grade shall be removed

(2) the date of the re-examination if method (a) is advised, or

(3) the work required, and the date of completion, if method

(b) is followed.

When the student meets the requirement, the definitive grade shall be recorded. When the student fails to meet the requirement within the specified time, the grade of *F* shall be recorded.

When a student receives a "condition" on the first semester's work in a course which continues throughout the year, the department concerned determines whether the student shall have an opportunity to remove the "condition" within the specified period, or whether the student's grade at the end of the second semester shall be the final grade for the year-course, without special re-examination or completion of additional work on the work of the first semester.

A student who is ineligible to return to Sweet Briar and who has a "condition" shall be given an opportunity to remove the "condition" only by examination. She shall take the examination at the time indicated by the Faculty Rulings and her instructor, and shall take it here at this college.

"Incomplete" may be removed by completing the incomplete work of the course. When the student meets this requirement, the definitive grade shall be recorded. When the student fails to meet this requirement, within the specified time, the grade of *F* shall be recorded.

13. A student who receives notice of *failure, condition, or incomplete* should communicate promptly with the instructor concerned.

In the case of a condition, if the student chooses to remove it by repeating the course, she should at that time notify the instructor of her decision.

V. Absences from Academic Appointments

1. If an instructor fails to meet his class without previous notice, the students shall remain in the classroom for ten minutes after the second bell has rung.

2. A student is expected to attend her classes regularly and to keep her other academic appointments. Responsibility for attendance rests with the student.

3. All work missed shall be made up promptly, and in advance of the absence if it can be anticipated. Students must take full responsibility for making up work without the assistance of the instructor when the absence is an unexcused one. Students may, with the permission of the instructor, change from section to section in order to make up work. They may *not* do so in order to remove records of absence, nor to leave college early before a vacation or recess, or to return late therefrom.

4. Students must attend all scheduled classes, including physical education, and meet all academic appointments which fall on the two days preceding and the two days following a vacation or recess. An unexcused absence on these days will be regarded as a serious breach of the academic regulations. For any absence not excused in advance, a student must present an explanation in writing to the Dean within two days of her return to college. If she fails to do so, or if the explanation is unsatisfactory, an appropriate penalty shall be imposed by the Dean.

5. A student may not schedule an arrival at the college by train, bus, car or plane after a vacation or recess between the closing hour and 6:00 A.M.

6. All excuses for absence from college after a vacation must be presented to the Dean of Students by letter or telegram before the hour set for return to college. A late return will normally be excused only because of the illness of the student or a serious family emergency. In case of illness, the student must present a physician's certificate to

the College Physician immediately on her return. In case of a family emergency, she must present a letter of explanation from her parent or guardian.

7. A student who is absent from classes for more than four weeks may re-enter classes only with the special permission of the Dean. Only in exceptional cases will she be permitted to carry a full schedule of courses.

VIII. Academic Advisers

1. The Associate Dean, aided at registration times by a small committee of faculty members, will counsel all freshmen and sophomores.

2. After a student has chosen her major field in the spring of her sophomore year, her work will be directed by her major professor.

3. The Dean is the general adviser of upperclassmen and of students entering on transfer from other institutions.

A member of the faculty or staff serves as Resident Counselor for each dormitory. The Resident Counselor represents the Dean of Students in the dormitory and stands ready to cooperate with the House President and other officials of the Student Government Association in the encouragement of congenial dormitory living. Early in the year she becomes personally acquainted with each girl in her dormitory and endeavors to help old and new students to become acquainted with each other. She is ready at all times to give counsel on any personal, social or academic problem about which a student wishes to consult her.

THERE WILL BE A RESIDENT-COUNSELOR-ON-DUTY EACH NIGHT IN THE WEEK AND OVER THE WEEKENDS TO GRANT OVERNIGHT AND SPECIAL PERMISSIONS, HANDLE EMERGENCIES, TAKE TELEPHONE CALLS AND RECEIVE TELEGRAMS THAT WOULD OTHERWISE GO TO THE DEAN OF STUDENTS. When calling or wiring the college during week nights and over weekends, students should place calls or send telegrams to the *Resident-Counselor-on-Duty*. The telephone operator in the Information Center at Sweet Briar will know the name of the person who is serving as *Resident-Counselor-on-Duty* and will connect the call. The call, therefore, should be placed person-to-person, *Resident-Counselor-on-Duty* at 381-5100.

THE MARY HELEN COCHRAN LIBRARY

No attempt is made here to give you a detailed introduction to the use of the library. However, you should find the brief description of the book collection and the summary of the regulations and privileges helpful during your first weeks.

One of the chief functions of the library staff is to help students find library material. You should never leave the library without locating the book or piece of information for which you came. The library assistant whom you will find at the desk will help you search if you are having difficulties.

Hours during vacations and holidays will be posted. The Reserve Rooms and the Study Gallery may be used for study until 1:00 a.m.

Library Hours are listed on page 61.

General Conduct

Quiet in the library must be maintained at all times.

The person who signs the book cards is responsible for the safe and prompt return of all books issued to her.

Stack books and New Shelf books may be borrowed for 21 days and may be renewed. Reserve books and some reference books may be borrowed for overnight use only. Browsing Room books, periodicals, and most reference books do not circulate.

A student taking books from any area without signing for them at the Desk will be considered to be disregarding library regulations and she will be liable to Student Government discipline.

Information in regard to fines for late returns and charges for lost books will be provided each new student during her library tour.

Failure to pay fines makes a student liable to having library privileges suspended. This means that a student may not use the library in any way whatsoever until the fine is paid.

Books and periodicals are college property. Care should be taken at all times to handle them with respect. Many of the works that you will be using are out-of-print and therefore difficult and expensive to replace. **Never mark or underline a library book.** Snow and

rain are also injurious; be sure to protect library books in returning or taking them out during bad weather.

Personal belongings, books, notes, etc., must not be kept in the library. The cloakroom is reserved for this purpose.

Ink must not be used at the catalog, or when using reference books, or in the Browsing Room. Ink bottles must be kept in the cloakroom.

After reading the above you will have a fair understanding of the use of the library. Do not fail to ask the library assistants for any help you may need.

The back issues of these periodicals are bound and shelved separately in the stacks. Periodicals may not be borrowed, but must be read in the Periodical Room, or if bound, in the stacks. Daily newspapers are also kept in this room.

The Periodical Room and Browsing Room are open during lunch and dinner as well as during the regular scheduled hours.

MISCELLANEOUS INFORMATION

Alumnae Association: The alumnae office is located in the Alumnae House. Mrs. Ernest M. Wood, Jr. (Elizabeth Bond, '34) is the Executive Secretary. While the principal business of this office is to act as the liaison between the college and the alumnae, to publish the *Alumnae Magazine*, to raise money for the college through the annual Alumnae Fund, and to maintain up-to-date address files for all alumnae, it also sells Sweet Briar china, glasses, and *The Story of Sweet Briar College*. Students are welcome at all times to come to the office for information about alumnae, to look at the bulletin board of current newspaper clippings, and to purchase merchandise.

Book Shop: The Book Shop is located on campus and provides a readily accessible source of textbooks, trade books, supplies, and gifts. All purchases during the opening week of college must be paid for by check or cash. After October 1 charges may be made and bills will be rendered bi-monthly. An unpaid bill of fifty dollars will automatically close an account to further charges.

Buses leave Sweet Briar bound for Lynchburg and Amherst on regular schedules. Bus schedules may be obtained upon arrival at College from the Information Center.

Class Organization: The first meeting of the Freshman Class is called by the Junior President, who is then President *pro tem* of the Freshmen until the election of their officers after six weeks.

For calls to Amherst there is a charge of ten cents (10¢) and to Lynchburg, fifteen cents (15¢).

Community Meetings: Community meetings for the discussion of problems affecting the entire community may be held on request and should be scheduled through the Associate Dean and the Vice-President of Student Government. The college will not be responsible for laundry lost if sent in another student's laundry. Pads of laundry slips are on sale at the Information Center, and laundry bags shall be of adequate size to contain all laundry. purchase of stamps and all other postal services are available here. If convenient to do so, parents are asked to allow students to purchase stamps at the Sweet Briar Post Office, which would give proper credit to the mailing office. A complete mail schedule is posted in the post office lobby at all times. Each student is assigned a post office box for rent which is payable at the beginning of the college term. In addressing students' mail to Sweet Briar, Virginia 24595, parents and friends are asked please to use the students' box numbers to expedite the delivery of the mail. It is not necessary to show Sweet Briar College or the name of the dormitory in the students' addresses.

Visitors: Visitors may come to the Information Center where they will be directed to the parlors of the dormitories or to convenient places to meet their appointments.

RELIGIOUS LIFE AND SERVICES

Sweet Briar is an independent college without denominational affiliation. The varied religious backgrounds of both faculty members and students enrich the whole life of the campus community. From its beginning, the college has regarded the cultivation of spiritual values as essential to true education, but the individual's participation in either the academic study of religion or the college worship services is entirely voluntary.

The religious life of the college is centered in the Sweet Briar Memorial Chapel. Newly completed, the chapel is to be dedicated during the academic year, 1966-1967.

The regular Sunday services are held at 8:00 a.m. and 11:00 a.m. The 11:00 o'clock service follows an interdenominational pattern. The college chaplain normally is the minister, although during the year, guest ministers from many religions traditions speak at this service. The Holy Communion is celebrated according to the use of the Book of Common Prayer on second Sundays. The 8:00 a.m. service on Sunday is regularly the Holy Communion.

Weekday chapel services are held on Tuesdays and Fridays at 12:00 o'clock. Members of the faculty, students, and occasionally guest ministers lead these services. There is no set form, each leader being responsible for the order of service which is used. For example, during the year there are Quaker meetings, religious plays and concerts, as well as more formal addresses.

Priests from the Father Judge Mission Seminary celebrate Mass every Sunday at Sweet Briar. Mass is also celebrated every Tuesday and the first Friday of each month at 6:45 a.m. Confessions are heard before each Mass. Christian Science services are held regularly at 5:30 on Thursday afternoons. Jewish students meet for worship on Wednesdays at 5:30. All of these services are conducted in the small chapel.

The Young Women's Christian Association is the only organized religious group on campus. It sponsors certain worship services and provides an outlet for social service work in the local community and in Lynchburg. It maintains a relationship with the National Board of

the YWCA which extends its interests beyond the local scene into the whole world.

Students provide the membership of the choir, the Altar Guild, and serve on the joint faculty-student Church & Chapel Committee. This Committee is responsible for the direction and growth of the religious life of the college. It is concerned with the arrangement of the college worship services and it chooses philanthropic projects for which the church offerings shall be used.

Besides the annual Religious Emphasis Week, under the auspices of the YWCA, there are many occasions at meals or elsewhere, for informal discussion of religious questions with visiting clergymen, with the chaplain, or with other members of the faculty.

Publicity: The publicity committee notifies Y members of meetings, parties, and activities.

Other Features

The Y.W.C.A. has an office located on the third floor of the chapel. It has a growing library of devotional materials and books on religious topics which may be borrowed by members for study or reference.

THE ATHLETIC ASSOCIATION

The great range and beauty of the Sweet Briar campus offer students the splendid opportunity to participate in a variety of sports. The purpose of all activities, whether organized or informal, is to promote

good health, individual skill, fun and relaxation through the guidance of the Athletic Association and the Department of Health and Physical Education. Every student is entitled to the use of all athletic property, such as tennis courts, hockey and lacrosse fields, and the boathouse. To those who show the most widespread interest and participation, the Athletic Association Executive Committee awards Sweet Briar seals, medals, and blazers, the policy for which is found in the Athletic Association constitution.

Executive Committee

The Executive Board shall consist of the Executive officers (president, vice-president, secretary, treasurer), the heads of sports, dance and dormitory competition, and committee chairman (*ex-officio*).

Eligibility

The Athletic Association constitution is in the process of being revised, particularly in the area of eligibility. A notice will be posted in the fall concerning any changes which are made.

Dormitory Competition

Throughout the year, the members of the Student Body, divided according to residences, will compete for championship honors in athletics based on the final outcome of various team and individual sports. A dormitory council composed of appointed representatives from each residence will administer the competition and establish a point system whereby each year's winner will be determined. The Athletic Association trophy will be engraved and placed in the winning dormitory throughout the following year.

I. Outing

There shall be a Council consisting of the Head of Outing, the assistant Head of Outing, Outing leaders and a representative of the Department of Physical Education. Outing leaders shall be formally appointed at any time during the year by the Head of Outing, the assistant Head of Outing, and a representative of the Department of Physical Education.

The Cabin is open to all students and members of the faculty and staff, and may be used at any time in accordance with the terms of the Athletic Association. See the A. A. Bulletin Board for detailed

rules, and the Cabin Calendar indicating "open" or "closed" Cabin.

Students may use the Cabin in the daytime accompanied by an Outing leader. Overnight groups must arrange such a trip with the Head of Outing, and abide by the Outing rules governing overnight stays in the Cabin.

Girls with dates may use the Cabin in the daytime when Open House is announced on the College Calendar; and for picnic lunches and suppers when accompanied by an Outing leader and provided they return to campus before dark.

No one is to drive beyond the green gate.

No one is to smoke in the woods or in the bunk room.

II. Horseback Riding

1. **No student may go riding until a written permission from parent or guardian is filed in the office of the Department of Physical Education. Protective hats and clothing suitable for fox hunting and showing are required. Riding in jeans and sneakers is not permitted.**
2. There shall be a Riding Council whose duty it shall be to make, interpret, and enforce the rules for riding, subject to the laws of the Student Government Association, and the Athletic Association, to punish offenders, and to further the interests of riding at Sweet Briar. Riding Council shall be presided over by the Head of Riding, and consist of a representative of the Department of Physical Education, and the following:

Jumping Leaders: Students who are formally appointed during the college year by the Riding Council, and who may supervise students who have been approved for jumping, or jump themselves when accompanied by another person (or ride alone within B limits).

Riding Leaders: Students who are formally appointed during the college year by the Riding Council, and who may take C riders on or off B limits (or ride alone within B limits).

A Riders: Students who have been approved by Riding Council and who may take C riders off B limits with permission of the instructor or the Head of Riding (or ride alone within B limits).

3. The remaining students are classified as follows:

B Riders: Students who have passed a definite riding test and who may ride in groups of two without a riding leader off B

limits, or alone on B limits. B riders may not act as riding leaders for C riders.

C Riders: All girls who have not passed a riding test, and who may not ride without a riding leader.

Riders taking a single ride must be sponsored and accompanied by an A rider unless they are currently classified through participation in the instructional program.

4. B limits are defined by the Riding Council in consultation with the Department of Physical Education. No student may ride alone off B limits. No student may jump except with an instructor or jumping leader. Hard hats must be worn.
5. The Sweet Briar Honor Pledge covers all phases of life at Sweet Briar, including the rules for riding. Violations of the riding rules will be treated as follows:

First offense: Warning by Instructor and Student Head of Riding.

Second offense: Removal from rank (removal of B privileges).

Third offense: Loss of riding privileges for one year, payment not refundable.

6. Annual events sponsored by the Riding Council including fall and spring Horsemanship classes, horse shows, a point to point, hunter trials and fox hunting with neighboring hunts.

III. Swimming, Boating and Canoeing

No student may swim until a written permission from her parent or guardian is filed in the office of the Department of Physical Education. This permission blank is sent in the late summer to the parents.

No student may swim unless accompanied by two authorized proctors and at specified times.

There shall be a Lake Council, formally appointed each college year, presided over by the Head of Lake, and consisting of a representative of the Department of Physical Education and the life guards appointed by the Head of Lake.

No student may use the rowboats until she has passed the swimming test at Sweet Briar.

No student may take out a canoe until she has passed the canoe test. No student may go on the Lake in a canoe unless she has passed

the swimming test and is accompanied by one who has passed the canoe test. In order to use the canoes there must be at least two people using them at the same time.

All members of the Association and their guests may use the Boat-house in accordance with the Lake Regulations posted each year on the A. A. Bulletin Board. Failure to abide by the regulations may result in the loss of complete Boathouse privileges for the remainder of a student's undergraduate years at Sweet Briar.

By a ruling of the Board of Overseers, only members of the College Community and their house guests may use the Lake for swimming. All members of the Athletic Association who do swim at the lake must follow the regulations of the Lake Council and the Physical Education Department.

IV. Dance

The Sweet Briar Dance Group presents on-campus dance concerts and demonstrations. In recent years the Group has performed at the Lynchburg Fine Arts Center, Randolph-Macon Woman's College and annually at the College Dance Festival in Richmond. Open try-outs are held for all performances. Members are chosen on the basis of performance, technical ability and interest. Each member must serve as an apprentice to the Dance Group, but apprentices do not necessarily become members. New members can be announced after any performance in which they have participated.

The Dance Group also participates actively at Sweet Briar as demonstrators for technique classes and sponsors master classes with visiting dance artists such as Helen McGehee and José Limon.

Aints and Asses

Aints and Asses is the organization that sports a name one might call distinctively different and members one might call delightfully diverse. They are a small but happy group of clownish personalities who feel no restraint by propriety. They dress in manner unorthodox and behave in manner even more so.

Their duty and pleasure is to present parodies and "take-offs" of all Paint and Patches and other campus productions. Masters of burlesque, they perform their own versions of these plays on an unusual comedy level. Intermittently, the Asses turn their thoughts to blowing whistles, for it is their perpetual concern to prevent bestial students from trampling to death the newborn grass. All in all — they're all in fun.

Bum Chums

"Hallelujah, I'm a Bum!" sung gaily, echoes through the halls of Sweet Briar the night of Spring Stepsinging as the Bum Chums tap their ten new members. In addition to an interest in furthering the Lynchburg-Amherst area relations with the college, the Bum Chums are chosen for their good spirit, interest, and general participation in the activities of the college.

The "notorious ten" throughout their junior year serve as useful members of the community, being active in various charity drives. They sponsor the Bloodmobile, are in charge of the coke machines, keep the recreation room of the Date House clean and sponsor a child through the Save-the-Children-Foundation. Not least among their projects are their famed parties, the Holiday Inns.

Chung Mung

This upperclassman, honorary society is composed of thirteen outstanding juniors and seniors, known for their friendliness, cheerfulness, enthusiasm and general interest in Sweet Briar. Their many and varied activities range from weekly sales of goodies in the dorms to an annual booth at the Christmas Bazaar. It is characteristic of this group to constantly seek new areas of activity which will benefit the College; they are always coming to SBC with new ideas for new drives.

In the moments not occupied by such worthwhile pursuits the Chung Mungs must deal with the serious and sober-minded Tau Phi's, harassing and ruffling their intellectual demeanor. Whatever these ghostly thirteen do, they continue to remind us of the need of others and prove that giving need not be a sober affair. A familiar and integral element of Sweet Briar life is this fun-loving group who so gaily chant "Glory, glory, I'm a Chung Mung . . ."

Hispanic Society

The Hispanic Society was organized by a group of enthusiastic students desirous of promoting interest in the Hispanic world: its cultural, political, and social aspects.

The members of the Society are students from all four classes who show interest in the purposes of the organization and who are willing to contribute to the fulfillment of those purposes. Membership is not restricted to Spanish-speaking students.

Through its projects, which consist of lectures, student discussions, films both educational and entertaining, and social gatherings with members of other Spanish clubs from neighboring colleges and universities, the members strive to increase community knowledge of the Hispanic world.

National Student Association

The United States National Student Association is a confederation of college student bodies in every part of the country which are associated to give consideration to questions of mutual concern: student affairs, educational affairs, international affairs, and student government affairs.

Each student body is represented in the Association by its own elected student government and its NSA Committee. The USNSA is a non-partisan, non-sectarian, non-profit, student-run educational association.

Sweet Briar delegates attend the NSA Congress every summer as well as regional conferences during the fall and spring. The Sweet Briar NSA Committee sponsors events of student interest throughout the year, and promotes many services on campus, such as providing travel information and travel discounts for students.

Paint and Patches

Paint and Patches, the Sweet Briar Dramatic Club, was organized for the purpose of creating and developing an active interest in all branches of drama and to promote a deeper knowledge of the technique of dramatic art.

P & P also attempts to provide entertainment for the entire community and to be of assistance in any theatrical undertaking on campus.

Eligibility for membership in Paint and Patches is determined by a system of grading which evaluates the work of all candidates. The many areas of the club include scenery design, properties, lights, make-up and costumes which provide opportunities for membership to those interested in various branches of the theatre.

Phi Beta Kappa

In 1949, the United Chapters of Phi Beta Kappa granted a chapter of the society to Sweet Briar College. Election to membership depends not only on excellent academic record but on evidence of

broad cultural interests, scholarly achievement, and promise of intellectual growth.

The number of Seniors elected to Phi Beta Kappa rarely exceeds 10% of the class and may never exceed 15%. Although a limited number of Juniors may be considered for election, the election of Juniors is the exception rather than the rule.

Q. V.

A girl who is chosen to be a Q.V. is not taking on a new job; she is continuing her interest and work for the class. The purpose of the Club is to bring together a group who share this same interest. The Q.V.'s goal, that of spirit and unity, is an intangible and challenging one for each new group to work toward meeting.

Every year at Spring Step Singing, the members of Q.V. are announced. The members of this club are sophomores who have worked during the year as a group and as individuals to further class spirit. It is felt that their work will be more effective if it is done quietly.

The Sweet Briar Choir

The Choir is Sweet Briar's oldest student organization with a continuous tradition of over fifty years of service to the college. Its seventy-five members provide service music for the Sunday Church Service, music for special occasions and ceremonies, and several concerts a year, usually given with clubs from various men's colleges. Periodically the Choir takes trips to various cities or to the campuses of men's colleges for joint performances of major choral works.

In recent years it has presented Handel's *Messiah* with the Hampden-Sydney Glee Club, Bach's *Magnificat* with the Hamilton College Choir, Bruckner's *Mass in E Minor* with the Colgate University Glee Club, and Stravinsky's *Symphony of Psalms* with the Brown University Glee Club.

Admission is by audition and members admitted are expected to continue that membership for at least one year. A gold cross and chain are awarded for four full semesters of satisfactory service.

The Sweet Tones

Thirteen girls from the Sophomore, Junior and Senior classes compose the Sweet Tones, Sweet Briar's only small independent singing

group specializing in interesting arrangements of popular music. Try-outs are held each spring and the following year, the group entertains for various social events on campus such as May Day and the Bum Chum Inns, Alumnae meetings, Board meetings, and for various organizations in the Lynchburg-Amherst area.

Tau Phi

Tau Phi, Sweet Briar's upperclass honorary society, is composed of a limited number of juniors and seniors, who by their attitude have manifested an especial interest in furthering the ideals and traditions of Sweet Briar. Although members are chosen for many other qualities the importance of scholarship is recognized.

The purpose of Tau Phi is to stimulate interest in and to cooperate with student activity and to further the physical, spiritual and intellectual growth of the College. Throughout the year the society sponsors Sunday night lectures and panels given by Sweet Briar professors, in addition to book discussions. At Christmastime members pack baskets for the Sweet Briar Farm.

World Affairs Club

The purpose of the World Affairs Club is to stimulate interest in and promote understanding of international politics and problems, as well as the life and culture of any other nations. It sponsors many sorts of discussion groups among its members, and many programs and speakers. Its members also attend many informative conferences at other colleges. It is affiliated with the American International Relations Clubs and the Collegiate Council for the United Nations. New members are taken in each fall.

Campus Chest Committee

The Campus Chest Committee shall conduct the Annual Funds Drive. A joint student-faculty committee shall serve as a clearing house for all appeals for funds which shall come to the Student Body from sources both on and off campus. The entire committee shall allocate the funds raised during the Drive.

The Campus Chest Committee shall consist of: the Chairman of Campus Chest, the Treasurer of Campus Chest, the Secretary of Campus Chest, Representative of the International Students, Head of Campus Chest Publicity, Faculty Chairman of Campus Chest and four faculty members appointed by the President of the College.

The Chairman shall be elected in the spring by the Student Body. The Treasurer shall be elected in the spring by the entire Campus Chest Committee. The Chairman shall, in the fall, choose members of the student body to act as solicitors in the Campus Chest Drive and appoint the Secretary and Publicity Chairman.

Curriculum Committee

The Curriculum Committee is organized for the purpose of representing the students and serving as a liaison between the faculty and the students on matters pertaining to the curriculum. The Committee serves as a medium of exchange for academic ideas and experiences of the faculty and students by meeting with the Committee on Instruction to present student suggestions for curriculum revision and to discuss aspects of the educational program. The Committee is composed of a representative from each of the Freshman and Sophomore classes and Junior and Senior representatives from the six major divisions of study: the Natural Sciences, Mathematics, and Psychology; Classical and Modern Languages; the Fine Arts; Social Studies; Philosophy, Religion, Sociology, and Education; English and American Studies. The representatives are nominated by their classmates and elected by the outgoing Committee.

Fire Department

Through understanding and cooperation the campus fire department assists in the avoidance of all possible accidents.

Fire drills are held during the night, at lunch, during meetings, during class hours, and at other times during the day. They may be announced or unannounced fire drills or fire escape drills. These drills are designed to promote familiarity with exits and to insure proper training in case of an emergency. The assistants to the house presidents (those in charge of phone duty) will assist the president in clearing the floor. A faculty fire team also assists, and takes charge of the students once they have left the buildings.

Joint Council

Joint Council is a group consisting of three faculty, three alumnae, three students, three Board members, and the President and the Dean of the college. This group meets once a year to discuss matters of mutual concern.

STUDENT DEVELOPMENT COMMITTEE

The Student Development Committee is a group of ten students who work together with the Head of the Development Office to raise money for Sweet Briar which is allocated by an annual vote of the entire student body. The committee is responsible for keeping members of the Sweet Briar community informed of any money-making projects and urging their cooperation and support in such projects.

Vocational Guidance Committee

The Vocational Guidance Committee is composed of five faculty and twenty student members, including representatives from each class. The work of the committee, coordinated by the Director of Vocational Guidance, includes making arrangements for representatives of professions and vocations who visit the campus for interviews, panel discussions and lectures. The Committee also handles publicity, writing of articles for the college newspaper, tabulating results of questionnaires and maintaining the bulletin board.

COLLEGE PUBLICATIONS

The Brambler

THE BRAMBLER is the college literary quarterly. By publishing poetry, prose, art work, music or any other creative endeavor of fine quality contributed by the four classes and occasionally by the faculty, THE BRAMBLER aims to recognize and to stimulate creativity at Sweet Briar and to bring varied and vital enjoyment to all readers.

The Briar Patch

THE BRIAR PATCH, the Sweet Briar annual, is published each spring. In the pages of THE BRIAR PATCH the staff tries to give all aspects of college life, especially the outstanding events of that year, which will serve as a permanent record and reminder when the year is over.

The Key

THE KEY is an illustrated booklet which presents an informal picture of life at Sweet Briar. It discusses some of the college traditions and customs as well as giving practical advice to incoming students.

Students' Handbook

The aim of the STUDENTS' HANDBOOK is to acquaint students with the rules, activities and organizations of Sweet Briar and to introduce the honor system which governs every aspect of life here. The Handbook forms an important source of reference throughout the year. It

is published annually; a copy is sent to each freshman in the summer while upperclassmen receive copies upon return to the College in the fall.

THE SWEET BRIAR NEWS

THE SWEET BRIAR NEWS is the weekly newspaper published by the students. It aims to give the students, faculty, and community reports of all the news which will be of interest to them. All students and especially freshmen whether they have had experience on school newspapers or not, are urged to try out for positions on the staff.

Parents are invited to subscribe and keep up with campus events.

SWEET BRIAR SONG

Sweet Briar, Sweet Briar, flower fair,
 The rose that on your crest you wear
 Shall never fade, but always bear
 Thy beauty, O Sweet Briar!
 Sweet Briar, Sweet Briar, thy columns white
 Shine on thy hills a beacon light
 Of truth, to burn with radiance bright
 Forever, O Sweet Briar!
 Sweet Briar, Sweet Briar, we sing to thee.
 May thy foundations ever be
 Strong as thy hills, thy purity
 That of thy rose, Sweet Briar!
